

About Us

Kia Contractors Inc. is one of the most Concrete Construction Companies. In order to ensure the proper operation of our clients construction needs, we offer only the highest quality in Concrete Construction. Kia Contractors Inc. makes that commitment with our customers.

Our Company was incorporated on 2014 by Founder Erik Orozco. Erik has over 17 years of experience in the Construction field and the last 3 years on Inspection Services as Deputy providing excellence on quality materials, workmanship and knowledge on Building Codes. Erik has over 13 years of Structural Concrete experience. He has worked on every facet of Structural Concrete Industry from Apartments, Condominiums, Commercial, Office, to Retail. He was also Vice president of a Concrete Company previously known E & A Concrete Inc.

Combining Building Codes, Quality assurance and Workmanship knowledge on the field will have the best service to the customer's satisfaction.
